

This is to certify that  
**Hobson & Sons (London) Ltd**

Kenneth Road, Thundersley, SS7 3AF, England

Has been assessed  
by Peter Child for IT Governance Ltd  
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet facing infrastructure for Hobson & Sons Ltd. Including firewalls, routers and hosted systems located within the Thundersley site.

Certification date: February 15th, 2018

Recommended re-assessment date: **February 14th, 2019**

Certificate no.: 9351459121720455

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
